A Note for Parents/Carers

- Please look through this booklet and complete it with your child.
- You can help your child draw the pictures/write the answers in the boxes.
- This information will help your child's class teacher get to know them better.
- Once you have completed it, please return it to us at school, either via their older sibling or hand it into the school office. It would be really helpful if you could also include a photograph of your child too. Please do this by Monday 7th June.
