

Scots Language Week Homework Task

Next week (21st – 25th January) is Spotlight on Scots Language Week. This special week involves pupils taking part in a range of Scots-based learning experiences across the curriculum. We would like to invite all pupils to research a Scots poem, song or story and to practise their chosen piece at home with you. Pupils do not have to learn their poem, story or song off by heart – they can bring a copy of it in with them to share with their classmates. Pupils will get the opportunity to share their chosen piece with their class next week. A selection of pupils will then get the chance to perform their poem, story or song at our special assembly on Friday 25th January. Below is a useful Scots Language web link:
