

## Second Level Home Learning Planner

### Literacy & English

Read an autobiography, for example 'Boy' by Roald Dahl, and create your own, using a similar style.

Create a list of things you wish your current/new teacher knew about you.

Choose a topic that interests you and create a solo talk or presentation to send to your teacher.

### Numeracy & Mathematics

Create a Venn diagram or graph of your family's likes/dislikes.  
Measure the height of your family members.

Measure your favourite objects around the house

Add up the value of your name using the letter's place in the alphabet or their value on Scrabble tiles. Who has the most valuable name in your house?

Draw a plan of your house (Use a scale eg 1m:1cm for a challenge).

Budget a weekly shop, how much money would you need to buy your favourite foods?

Pick an area of numeracy/maths that you need to improve on and work on it over the next 2 weeks.

### le français

Have a go at writing/talking about yourself in French!

Mon nom est...

J'ai \_\_\_\_ ans.

Ma couleur préférée est...

### All About Me

"Be yourself;  
everyone else is  
already taken!" -  
Oscar Wilde.

Can you find an inspirational quote and show why it inspires you? You could even create your own!

### Health and Wellbeing

My Greatest Achievement - tell us about what it is, when it was, how you did it, who helped you etc, then present it in your own way.

What are your favourite subjects and why?

Friendship - what makes a good friend? How have you been a good friend during 'lockdown'?

Draw a relationship circle or mind map with you in the middle - then add all your family, friends, team mates etc using different colours to highlight them. Make it as creative as you can!

Think of a new challenge to set yourself. Write an action plan detailing how you are going to achieve/carry out your challenge then have a go!

### Science

Explore the 'Humans and Other Animals' section of Tig Tag.

Display what you have learned in whichever way you choose.

## Second Level Home Learning Planner

### Expressive Arts

Draw 5 selfies of things you have done during lockdown.  
What is your talent? Practise your talent to prepare for Udston's Got Talent!  
Teach someone your talent.  
Draw a family portrait.  
Create a self-portrait based on the style of your favourite artist.  
Draw your favourite place.  
Create/write a playlist titled 'Me' with songs that you love/represent you and your life.  
Make up your own TikTok dance.

### Social Studies

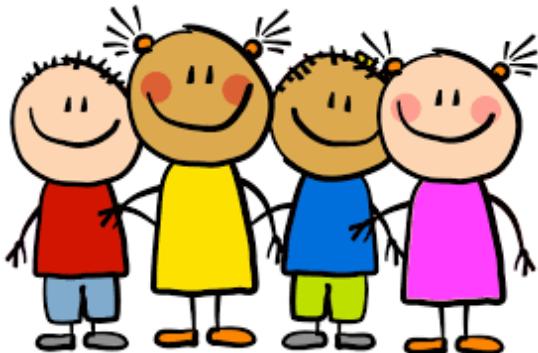

Choose a country and/or historical period you are interested in, research it and present your findings however you like. Perhaps you want to do France or The Romans or China or WWI? The choice is yours!

### Why not try some mindfulness techniques?

Blowing bubbles - take deep slow breaths to blow the bubble, then really focus on the bubble's shape and movement as it floats away and bursts.

Blindfold test - wearing a blindfold, have someone give you a small piece of food like a raisin or grape and imagine you are eating it for the first time.

## All About Me

### More Mindfulness techniques:

Have an adult make a 'texture bag' by filling a bag with objects then have a go at guessing what the objects are, without taking them from the bag - take your time to work it out!

Body scan - find a quiet place to lie down on your back with your eyes closed, then gently squeeze all the muscles in your body and hold them for a few seconds then release and relax for a few minutes. Focus on how your body feels throughout the exercise.

### Technologies

Make and fill a time capsule all about you.  
Create your favourite meal from scratch.  
Taste new foods, you may surprise yourself!  
Make a new board game.  
Make a photo diary of your week  
Make a 'me' puppet from materials you have at home.  
How do you stay safe online?

### Religious and Moral Education

What are your family traditions? Tell us about them.  
Pick a set of beliefs/religion that you find interesting and tell us why it is interesting to you.  
Create a cartoon of what success means to you. Forgiveness. What does this mean to you? How can it help you to feel better?
